(a) Technical score is greater than the top scoring Training Provider: it will be asked to lower the cost per trainee per month to a level so that combined score equals the reference score. In case of refusal the offer will be made to the third highest and so forth.

(b) Technical score is equal to or lower than the top scoring Training Provider: it will be asked to lower the cost per trainee per month to a level of reference price in case the cost is higher than the top scorer otherwise the contract will be offered at bid price. In case the second ranked organization refuses, the offer will be made to the third highest and so forth.
