2) Instruction to Consultants

Definitions

- (a) “Agreement” means the Agreement signed by the Parties and all the attached documents.
- (b) “Client” means the organization with which the selected Consultant signs the Agreement for the Services.
- (c) “Consultant” means any entity or person that may provide or provides the Services to the Client under the Agreement.
- (d) “Data Sheet” means such part of the Instructions to Consultants used to reflect specific conditions.
- (e) “Day” means calendar day.
- (f) “Government” means the Government of the Punjab and all its associated departments, agencies, autonomous/semi-autonomous bodies, local governments, boards, universities and similar other organizations.
- (g) “Instructions to Consultants” means the document which provides Consultants with all information needed to prepare their Proposals.
- (h) “Proposal” means the Technical Proposal and the Financial Proposal.
- (i) “Terms of Reference” (TOR) means the document included in the proposal as Section 5 which explains the objectives, scope of work, activities, tasks to be performed, respective responsibilities of the Client and the Consultant, and expected results and deliverables of the assignment.

1. Introduction

- 1.1 The Client named in the Data Sheet will select a consulting firm/organization (the Consultant) from any firm who will be eligible as per the eligibility criteria, Technical evaluation and in accordance with the method of selection specified in the Data Sheet.
- 1.2 Consultants are required to submit a Technical Proposal and a Financial Proposal for consulting services required for the assignment named in the Data Sheet. The proposals should be in separate marked and sealed envelopes. The Proposal will be the basis for agreement negotiations and ultimately for a signed Agreement with the selected Consultant.
- 1.3 Consultants shall bear all costs associated with the preparation and submission of their proposals and agreement negotiation. The Client is not bound to accept any proposal and reserves the right to annul the selection process at any time prior to Agreement award, without thereby incurring any liability to the Consultants.

Skills For Success

Conflict of Interest

1.4 It is requested that Consultants provide professional, objective, and impartial advice and at all times hold the Client's interest's paramount, strictly avoid conflicts with other assignments or their own corporate interests and act without any consideration for future work.

1.4.1 Without limitation on the generality of the foregoing, Consultants, and any of their affiliates, shall be considered to have a conflict of interest and shall not be recruited, under any of the circumstances set forth below:

Conflicting activities

(i) A firm that has been engaged by the Client to provide goods, works or services other than consulting services for a project, and any of its affiliates, shall be disqualified from providing consulting services related to those goods, works or services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, and any of its affiliates, shall be disqualified from subsequently providing goods or works or services other than consulting services resulting from or directly related to the firm's consulting services for such preparation or implementation. For the purpose of this paragraph, services other than consulting services are defined as those leading to a measurable physical output, for example surveys, exploratory drilling, aerial photography, and satellite imagery.

Conflicting assignments

(ii) A consultant (including its Personnel and Sub-Consultants) or any of its affiliates shall not be hired for any assignment that, by its nature, may be in conflict with another assignment of the Consultant to be executed for the same or for another Client. For example, a Consultant hired to prepare engineering design for an infrastructure project shall not be engaged to prepare an independent environmental assessment for the same project, and a Consultant assisting a Client in the privatization of public assets shall not purchase, nor advise purchasers of, such assets. Similarly, a Consultant hired to prepare Terms of Reference for an assignment should not be hired for the assignment in question.

Conflicting relationships

(iii) A consultant (including its Personnel and Sub-Consultants) that has a business or family relationship with a member of the Client's staff who is directly or indirectly involved in any part of (i) the preparation of the Terms of Reference of the assignment, (ii) the selection process for such assignment, or (iii) supervision of the Agreement,

may not be awarded an Agreement, unless the conflict stemming from this relationship has been resolved in a manner acceptable to the Government of Punjab throughout the selection process and the execution of the Agreement.

- Unfair Advantage**
- 1.4.2 Consultants have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of their client, or that may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the consultant or the termination of its Agreement.
- 1.4.3 If an interested consultant could derive a competitive advantage from having provided consulting services related to the assignment in question, the client shall make available to all interested consultants together with this proposal, and all information that would in that respect give such consultant any competitive advantage over competing consultants.
- Fraud and Corruption**
- 1.5 Client requires consultants participating in its projects to adhere to the highest ethical standards, both during the selection process and throughout the execution of an agreement. In pursuance of this policy, PSDF:
- (b) defines, for the purpose of this paragraph, the terms set forth below as follows:
- (i) “corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the selection process or in agreement execution.
- (ii) “fraudulent practice” means a misrepresentation or omission of facts to influence a selection process or the execution of an agreement.
- (iii) “collusive practices” means a scheme or arrangement between two or more consultants with or without the knowledge of the Client, designed to establish prices at artificial, non-competitive levels.
- (iv) “coercive practices” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process or affect the execution of an agreement.
- (c) will reject a proposal for award if it determines that the Consultant recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the agreement in question.

- (d) will sanction a Consultant, including declaring the Consultant ineligible, either indefinitely or for a stated period of time, to be awarded an agreement if at any time it determines that the Consultant has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for, or in executing, and
- (e) will have the right to require that a provision be included requiring Consultants to permit the Government of Punjab to inspect their accounts and records and other documents relating to the submission of proposals and agreement performance and have them audited by auditors appointed by the client.

1.6 Consultants shall furnish information on commissions and gratuities, if any, paid or to be paid to agents relating to this proposal and during execution of the assignment if the Consultant is awarded the Agreement, as requested in the Financial Proposal submission form (Section 4).

**Only one
Proposal**

1.7 Interested Consultants shall only submit one proposal. If a Consultant submits or participates in more than one proposal, such proposals shall be disqualified.

**Proposal
Validity**

1.8 The Data Sheet indicates how long Consultants' Proposals must remain valid after the submission date. During this period, Consultants shall maintain the availability of Professional staff nominated in the Proposal. The Client will make its best effort to complete negotiations within this period. Should the need arise, however, the Client may request Consultants to extend the validity period of their proposals. Consultants who agree to such extension shall confirm that they maintain the availability of the Professional staff nominated in the Proposal, or in their confirmation of extension of validity of the Proposal, Consultants could submit new staff in replacement, who would be considered in the final evaluation for agreement award. Consultants who do not agree have the right to refuse to extend the validity of their Proposals.

**2. Clarification
and
Amendment of
Request for
Proposal
Document**

2.1 Consultants may request a clarification of any of the proposal up to the number of days indicated in the Data Sheet before the proposal submission date. Any request for clarification must be sent in writing, or by standard electronic means to the Client's address indicated in the Data Sheet. The client will respond in writing, or by standard electronic means and will send written copies of the response (including an explanation of the query but without identifying the source of inquiry) to all consultants. Should the client deem it necessary to amend the proposal as a result of a clarification, it shall do so following the procedure under para. 2.2.

2.2 At any time before the submission of proposals, the client may amend the proposal by issuing an addendum in writing or by

standard electronic means. The addendum shall be sent to all consultants and will be binding on them. consultants shall acknowledge receipt of all amendments. To give consultants reasonable time in which to take an amendment into account in their proposals, the client may, if the amendment is substantial, extend the deadline for the submission of proposals.

3. Preparation of Proposals

3.1 The proposal (see para. 1.2), as well as all related correspondence exchanged by the Consultants and the client, shall be written in the language (s) specified in the data sheet.

3.2 In preparing their proposal, the consultants are expected to examine in detail the documents comprising the proposal. Material deficiencies in providing the information requested may result in rejection of a Proposal.

3.3 While preparing the Technical Proposal, alternative professional staff shall not be proposed, and only one curriculum vitae (CV) may be submitted for each position.

Technical Proposal Format and Content

3.4 The Technical Proposal shall provide the information indicated in the following paras from (a) to (g) using the attached Standard Forms (Section 3). Paragraph (c) (ii) indicates the recommended number of pages for the description of the approach, methodology and work plan of the Technical Proposal. A page is considered to be one printed side of A4 or letter size paper.

(a) A brief description of the Consultants' organization (Form TECH-2 of Section 3).

(b) A description of the approach, methodology and work plan for performing the assignment covering the following subjects: technical approach and methodology, work plan, and organization and staffing schedule. Guidance on the content of this section of the Technical Proposals is provided under Form TECH-3 of Section 3. The work plan should be consistent with the work Schedule (Form TECH-6 of Section 3) which will show in the form of a bar chart the timing proposed for each activity.

(c) The list of the proposed professional staff team by area of expertise, the position that would be assigned to each staff team member, and their tasks (Form TECH-4 of Section 3).

(d) CVs of the Professional staff signed by the staff themselves or by the authorized representative of the professional Staff (Form TECH-5 of Section 3) along with their Computerized National Identity Card numbers (if local) or Passport numbers (if foreign).

- 3.5 The Technical Proposal shall not include any financial information. A Technical Proposal containing financial information shall be rejected and declared disqualified for further process.
- Financial Proposals**
- 3.6 The Financial Proposal shall be prepared using the attached Standard Forms (Section 4).
- Taxes**
- 3.7 The Consultant may be subject to local taxes (such as: value added or sales tax or income taxes on non-resident Foreign Personnel, duties, fees, levies) on amounts payable by the Client under the Agreement. The Client will state in the data sheet if the consultant is subject to payment of any taxes.
- 3.8 Consultants should express the price of their services in PKR. Prices in other currencies should be converted to PKR using the selling rates of exchange given by the State Bank of Pakistan for the date indicated in the data sheet.
- 3.9 Commissions and gratuities, if any, paid or to be paid by Consultants and related to the assignment will be listed in the Financial Proposal Form FIN-1 of Section 4.
- 4. Submission, Receipt, and Opening of Proposals**
- 4.1 The original proposal (Technical Proposal and, if required, Financial Proposal; see para. 1.2) shall contain no interlineations or overwriting, except as necessary to correct errors made by the consultants themselves. The person who signed the proposal must initial such corrections. Submission letters for both technical and financial proposals should respectively be in the format of TECH-1 of Section 3, and FIN-1 of Section 4.
- 4.2 An authorized representative of the consultants shall initial all pages of the original technical and financial Proposals. The authorization shall be in the form of a written power of attorney accompanying the proposal or in any other form demonstrating that the representative has been duly authorized to sign. The signed technical and financial proposals shall be marked "ORIGINAL".
- 4.3 The Technical Proposal shall be marked "ORIGINAL." The technical proposals shall be sent to the addresses referred to in para. 4.5 and in the number of copies indicated in the data sheet. All required copies of the technical proposal are to be made from the original. If there are discrepancies between the original and the copies of the technical proposal, the original governs.
- 4.4 The original and scanned copy (USB) of the technical proposal shall be placed in a sealed envelope clearly marked "TECHNICAL PROPOSAL" Similarly, the original Financial Proposal shall be placed in a sealed envelope clearly marked "FINANCIAL PROPOSAL" followed by the name of the assignment, and with a warning "**DO NOT OPEN WITH THE TECHNICAL PROPOSAL.**" The envelopes containing the Technical and Financial Proposals shall be placed into an outer envelope and sealed. This outer envelope shall bear the submission address and title of the Assignment, clearly marked

“DO NOT OPEN, EXCEPT IN PRESENCE OF THE OFFICIAL APPOINTED, BEFORE SUBMISSION DEADLINE”. The Client shall not be responsible for misplacement, losing or premature opening if the outer envelope is not sealed and/or marked as stipulated. This circumstance may be case for Proposal rejection. If the Financial Proposal is not submitted in a separate sealed envelope duly marked as indicated above, this will constitute grounds for declaring the Proposal non-responsive.

4.5 The proposals must be sent to the address/addresses indicated in the data sheet and received by the client no later than the time and the date indicated in the data sheet, or any extension to this date in accordance with para. 2.2. Any proposal received by the client after the deadline for submission shall be returned unopened.

4.6 The Client shall open the technical proposal immediately after the deadline for their submission. The envelopes with the financial proposal shall remain sealed and securely stored.

5. Proposal Evaluation

5.1 From the time the proposals are opened to the time the agreement is awarded, the consultants should not contact the client on any matter related to its technical and/or financial proposal. Any effort by consultants to influence the client in the examination, evaluation, ranking of Proposals, and recommendation for award of Agreement may result in the rejection of the consultants' proposal.

Evaluators of technical proposals shall have no access to the financial proposals until the technical evaluation is concluded.

Evaluation of Technical Proposals

5.2 The evaluation committee shall evaluate the technical proposals on the basis of their responsiveness to the terms of reference, applying the evaluation criteria, sub criteria, and point system specified in the data sheet. Each responsive proposal will be given a technical score (St). A Proposal shall be rejected at this stage if it does not respond to important aspects of the Proposal, and particularly the terms of reference or if it fails to achieve the minimum technical score indicated in the data sheet.

Public Opening and Evaluation of Financial Proposals

5.3 Financial proposals shall be opened publicly in the presence of the consultants' representatives who choose to attend. The name of the consultants, and the technical scores of the consultants shall be read aloud. The financial proposal of the consultants who met the minimum qualifying mark will then be inspected to confirm that they have remained sealed and unopened. These financial proposals shall be then opened, and the total prices read aloud and recorded.

5.4 The Evaluation Committee will correct any computational errors. When correcting computational errors, in case of discrepancy between a partial amount and the total amount, or between word and figures, the formers will prevail. In addition to the above corrections, as indicated under para. 3.6, activities and items

described in the technical proposal but not priced, shall be assumed to be included in the prices of other activities or items. In case an activity or line item is quantified in the financial proposal differently from the technical proposal.

- 5.5 In **Least-Cost Selection**, the Client will select the lowest financial proposal among those that passed the minimum technical score. In both cases the evaluated proposal price according to para. 5.4 shall be considered, and the selected firm will be invited for negotiations.

6. Negotiations

- 6.1 Negotiations will be held according to Rule 50 of PSDF Procurement Rules, 2016 at the date and address indicated in the Data Sheet. The invited Consultant will, as a pre-requisite for attendance at the negotiations, confirm availability of all Professional staff if required. Failure in satisfying such requirements may result in the Client proceeding to negotiate with the next-ranked Consultant. Representatives conducting negotiations on behalf of the Consultant must have written authority to negotiate and conclude an Agreement.

Technical negotiations

- 6.2 Negotiations will include a discussion of the technical proposal, the proposed technical approach and methodology, work plan, and organization and staffing, and any suggestions made by the consultant to improve the terms of reference. The client and the consultants will finalize the terms of reference, staffing schedule, work schedule, logistics, and reporting. These documents will then be incorporated in the agreement as "Description of Services." Special attention will be paid to clearly defining the inputs and facilities required from the client to ensure satisfactory implementation of the assignment. The client shall prepare minutes of negotiations which will be signed by the client and the consultant.

Financial negotiations

- 6.3 As per Rule 50 of PSDF Procurement Rules, 2016, it is the responsibility of the consultant, before starting financial negotiations, to determine the tax amount to be paid by the consultant under the Agreement. The financial negotiations will reflect the agreed technical modifications in the cost of the services. Financial negotiations can involve the remuneration rates for staff or other proposed unit rates if there is a revision of scope or if the bid rate exceeds the available budget.

Availability of Professional staff/experts

- 6.4 Having selected the consultant on the basis of, among other things, an evaluation of proposed professional staff, the client expects to negotiate an Agreement on the basis of the professional staff named in the proposal. Before agreement negotiations, the Client will require assurances that the professional staff will be actually available. The client will not consider substitutions during agreement negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or for reasons such as death or medical incapacity. If

this is not the case, and if it is established that professional staff were offered in the proposal without confirming their availability, the consultant may be disqualified. Any proposed substitute shall have equivalent or better qualifications and experience than the original candidate and be submitted by the consultant within the period of time specified in the letter of invitation to negotiate.

- | | | |
|---------------------------------------|-----|--|
| Conclusion of the negotiations | 6.5 | Negotiations will conclude with a review of the draft agreement. To complete negotiations, the client and the consultant will initial the agreed agreement. If negotiations fail, the client will invite the consultant whose proposal received the second highest score to negotiate an agreement. |
| 7. Award of Agreement | 7.1 | After completing negotiations, the client shall award the agreement to the selected consultant and publish details on the Planning & Development Department website and promptly notify all consultants who have submitted proposals. After agreement signature, the Client shall return the unopened financial proposals to the unsuccessful consultants. |
| | 7.2 | The consultant shall furnish performance guarantee as specified in data sheet. |
| | 7.3 | The consultant is expected to commence the assignment on the date and at the location specified in the Data Sheet. |
| 8. Confidentiality | 8.1 | Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the consultants who submitted the proposals or to other persons not officially concerned with the process, until the publication of the award of agreement. The undue use by any consultant of confidential information related to the process may result in the rejection of its proposal and may be subject to the provisions of the consultant selection guidelines relating to fraud and corruption. |
| 9. Error & Omissions | 9.1 | Although adequate thoughts have been given in drafting of this document, error such as typos may occur without any responsibility on PSDF part. |

Form TECH-3 Description of Approach, Methodology and Work Plan for Performing the Assignment

[Technical approach, methodology and work plan are key components of the Technical Proposal. You are required to present your Technical Proposal as per the criteria list in Technical evaluation in the proposal]

a) Approach and Methodology

Please be precise and to the point in addressing the objectives of this assignment through proposed approach and methodology.

Technical approach, methodology and work plan are key components of the Technical Proposal. You are suggested to present your Technical Proposal divided into the following chapters:

- i. Technical Approach and Methodology including
- ii. Work Plan & Timeline

i. Technical Approach and Methodology

In this chapter you should explain your understanding of the objectives and scope of work/TORs of the assignment, approach to provide these services, and methodology for carrying out the assignment.

You may highlight the problems being anticipated by you in this assignment and their importance and explain the technical approach you would adopt to address them. You may also be invited for a presentation on your proposed methodology and evaluation will be done on the basis of followings:

- Interpretation of scope and objectives of assignment including
 - Development plan
 - Content and total hours
 - Number of videos and types
 - Number of assessments and types
- Understanding of assignment deliverables
- Overall methodology adopted and approach to conduct the assignment.

ii. Work Plan

In this chapter you should propose your work plan against the main activities of the assignment, their content and estimated duration, describing phasing and interrelations and milestones. The proposed work plan should be consistent with the technical approach and methodology, showing clear understanding of the TORs and ability to translate them into a deliverable working plan. The work plan should be consistent with the Work Schedule of Form TECH-6.

3	Pilot launch of program	15%
4	Post development support	25%

5) Terms of Reference

a) Scope of Work:

PSDF aims to bring onboard a consultancy firm that can help to develop a course on How to Find a Job to be delivered online. The expected duration of the course content will be 4 hours. Specific roles and responsibilities for the firm include but not limited to:

- a) Alignment of assignment: Complete requirement gathering with PSDF team regarding:
 - i Course Objective and desired learning outcomes
 - ii Detailed course outline
 - iii Content of course including duration of videos, lectures, text, assessments etc.
 - iv Work plan for execution of assignment
 - v Alignment of timelines
- b) Outline: Mapping of PSDF requirements with course outline as well as finalization of course design, videos, course length etc.
- c) Conversion of content to an online platform: Curating the content on an online platform and provide guidance on creating a user centered online course
- d) Monitoring and supervision: Develop in-built mechanisms via assessments and DIY activities to monitor progress and understanding of trainees
- e) Impact: Assist in revising and upgrading course content based on the pilot result and feedback from the PSDF and the trainees

In order to achieve these specific objectives of the assignment; consulting firm is expected to undertake the following **tasks**:

- i. Understand course requirements:
 - o The consultancy firm should have detailed discussion with the PSDF team and acquire a thorough understanding of the surveys conducted
 - o Align with PSDF team on 'Why' the course is important and outline specific student learning objectives and outcomes
 - o Identify and clearly highlight external support and experts that the firm might consult
 - o Finalize the Course Outline (overview attached as Appendix A, detailed outline to be shared after contracting) in consultation with the PSDF team and develop a detailed curriculum
- ii. Conceptualize, Design and Develop modules including (but not limited):
 - o Implementation resources: videos, graphics, narrations, assessments, DIY activities
 - o Videos must incorporate various methods such as instructor lectures, narrated screen recordings, voice overs, animations, graphical videos etc.
- iii. Curate content as an online course on 'How to Find a Job' based upon the finalized curriculum
- iv. Provide supervision and mentoring support to improved processes and results of the pilot launch of the online course.

Prepare a comprehensive project completion report, including the results of the pilot result and recommended way forward

b) Required Team Composition

Core team proposed by Consulting Firm must consist of one Team Lead, Director of Videography and Graphic Designer. CVs to be attached as per **TECH-5 of Section3**. It is Mandatory that proposed members are from the same organization or remain engaged for the entire length of the agreement with PSDF. The brief requirement of the team is provided below:

Team Lead:

- i. Bachelor's or master's degree
- ii. At least 4 years of experience in Academics/Training related positions

Director of Videography:

- i. Bachelor's or master's degree
- ii. At least 04 years of experience in direction and development of videos

Graphic Designer:

- i. Bachelor's degree
- ii. At least 02 years of experience in graphic design, animation etc.

c) Duration and Deliverables:

- The successful firm shall sign and execute the standard contract of PSDF including any general conditions on the terms and conditions specified therein. Any amendment to the contract shall be made with mutual consent of both parties.
- The duration of the contract shall be for 4 months; however, it may be extended on mutual consent.
