Punjab Skills Development Fund (PSDF) is the largest skills development fund in Pakistan, established in 2010 as a not-for-profit company set up by the Government of Punjab (GoPb).

**Tender No: PSDF/EDF/Skill Development/FTI/03-23**

PSDF has received funding from Export Development Fund (EDF) - Ministry of Commerce, for the Skills Training Program in the Textile sector (Readymade Garments & Hosiery / Knitwear). This program has been designed in partnership with Pakistan Ready Made Manufacturers Garments Association (PRGMEA) and Pakistan Hosiery Manufacturers & Exporters Association (PHMA). The program may be expanded as per the demand from the associations / industries in future.

**Aim of the Project:**

Trainees under this program will receive hands on experience and employment opportunities in the export related industries.

**Invitation for Bids:**
