						Yumnah OEP	-	YES	1. As per Section 2.2.2 of the submission guidelines, your organization submitted the proposal using the "Learn to Earn" login credentials instead of your own EPAD account. This is not in compliance with the stipulated submission requirements. 2. As per Section 2.3.6, your organization was required to submit the necessary bid security. However, the bid security was not provided, rendering the proposal non-compliant with the applicable procurement rules. 3. As per Sections 2.3.9 and 2.4.1, your organization was required to submit both the Technical (Eligibility & Technical Envelopes) and Financial (Commercial Envelope) proposals via the EPAD portal. However, your organization dispatched hard copies to the PSDF office, which resulted in the premature disclosure of your financial quotation. This deviation from the prescribed submission process led to the rejection of your proposal.
